Upcoming Event

Cancer Surveillance at International Agency for Research on Cancer Seminar with Dr Freddie Bray

"The School of Population Health and Centre for Primary Health Care and Equity are pleased to invite you to a lunchtime talk by Dr Freddie Bray, Head, Branch of Cancer Surveillance, WHO-International Agency for Research on Cancer. Some of his research areas include global cancer surveillance and predictions of the future scale and profile of cancer and linkages to human development transitions"

Chaired by Dr Christine Linhart and A/Prof Freddy Sitas

You can join this seminar in person at Room 305 & 306, level 3 at Samuels Building, (F25), UNSW Kensington OR via this Teams link

You are welcome to forward this invitation within your network.
