

Documenting the **IMPACT OF COVID-19** in the review

- For many candidates, it may now be difficult to meet the milestones that were set approx. 12 months ago in significantly different circumstances. Given the COVID-19 situation, it is unlikely any candidate's progress should be assessed as unsatisfactory if the issues and delays are related to impacts of the pandemic. Milestones can be assessed as "partially achieved" or "non-applicable" with written justification.
