

The

STAQC is currently seeking Expressions of Interest (EOI) for a Student Representative member to join the Committee. This student will provide valuable insight into discussions which shape the educational experience for all students within Faculty of Science Programs and Courses.

In 2024, the Student Representative will serve on STAQC for 6 months (from July to December). Successful completion of service will be recognised on the W X Y H [Australia Higher Education Graduation Statement](#).

The following is essential for you to contribute effectively to meetings and make your term more effective:

- x Attend monthly Committee meetings of up to 3 hours (usually held on Tuesday afternoons);
- x Attend monthly preparation meetings of up to 1 hour with Faculty of Science staff;
- x Provide a brief update on education-related student matters at Committee meeting s.
- x Provide a student perspective on items discussed and ensure that your comments and insights are balanced and constructive. If possible, back them up with any evidence you may have and/or a paper (preapproved by the Chair);
- x Following meetings, feed information and decisions (that are not confidential) back to other students and make them aware of any outcomes that might affect them.

How to get involved

Any student currently enrolled in a Program leading to a degree, diploma or certificate awarded by the Faculty of Science can submit an EOI

The ideal candidate will have demonstrated
