3. Strategies and approaches to learning

3.1 Learning and teaching activities

This course covers the research component of the Honours year in psychology. It consists of no formal classes: instead students meet with their supervisor(s) and undertake independent research.

3.2 Expectations of students

It is expected that students are aware of UNSW Assessment policy and understand how to apply for special consideration if they are unable to complete an assignment/exam due to illness and/or misadventure.

It is expected that students have read through the [School of Psychology Student Guide](#), and the Honours-related documentation emailed to them after Orientation (e.g., School of Psychology Honours Information Guide).

4. Course schedule and structure

This course consists of no lecture material or face to face tutorials but students should be keeping in regular contact with their supervisor to maintain satisfactory progress on their research project. Students are expected to take an additional ~ 20 hours per week of self

Assessment task	Length	Weight	Mark	Due date
Assessment 1: Thesis	12,000 - 15,000 words			

Assessment 3: Students will be required to participate in the honours conference following submission of their thesis. This involves presenting an approximately 10 minute talk (including a few minutes for questions). The talk will summarise the thesis including background, aims, methods, results and discussion.
