practical component of the clinical program. At this stage candidates are expected to develop further autonomy in their clinical practice. In PEP6 candidates are required to complete a supervised placement in one external field placement setting of at least 167 hours. Activities undertaken during placement typically include client work, supervision, placement administrative responsibilities and client preparations. Placement hours typically extend beyond the standard term period. Additional hours may also be required to demonstrate sufficient clinical competencies. This is a Workplace Integrated Learning (WIL) course.

Course Aims

The aim of the course is to further develop and strengthen the Clinical Psychology competencies of candidates, which is achieved through the active participation in client work and regular supervision at one external placement setting, and training through clinical workshops.

Relationship between Course and Program Learning Outcomes

PSYC7235 is a pre-requisite for this course.

Course Learning Outcomes

Course Learning Outcomes
CLO1 : Demonstrate knowledge and application of psychological theory in clinical assessments and diagnosis
CLO2 : Demonstrate knowledge and application of psychological theory in case conceptualisation and selection of evidence-based interventions

CLO3 : Actively integrate

work

UNSW has a standard late submission penalty of:

- 5% per day,
- for all assessments where a penalty applies,
- capped at five days (120 hours) from the assessment deadline, after which a student cannot submit an assessment, and
- no permitted variation.

n n o o UNSW has a "fit to sit/submit" rule, which means that if you sit an exam or submit a piece of assessment, you are declaring yourself fit to do so and cannot later apply for Special Consideration. This is to ensure that if you feel unwell or are faced with significant circumstances beyond your control that affect your ability to study, you do not sit an examination or submit an assessment that does not reflect your best performance. Instead, you should apply for Special Consideration as soon as you realise you are not well enough or are otherwise unable to sit or submit an assessment.
